Another "Bunny"-drabble:)

James abruptly got awake as something wet licked his nose. Then his cheek. The nose, again.

"Kiiirk!" he sleepily moaned. "Not AGAIN! We already fucked two times ... Lemme sleep!"

He heard some sniffing then his naked shoulder got nudged by something cold and wet. Persistently.

A plushy softness stroked his cheek.

James ripped open his eyes. In the dim light he stared into two pairs of black round eyes.

Kirk Bunny and James Bunny!

James Bunny licked James' nose.

James whimpered, and the nightstand's lamp got switched on.

"They've got a crush on you, James!" Kirk giggled. "You bunny-nizer!"
